

INFORMAL & FORMAL BALANCE ASSIGNMENT

OBJECTIVE: To illustrate how balance is used as a principle of design.

Supplies: 2 sheets of white computer paper
Pencil
Eraser
Ruler
Crayons or coloring pencils

- 1. Read the definitions of balance given in class.**
- 2. Draw 1 example of informal balance and 1 example of formal balance. Use the whole sheet of paper for each drawing. (May duplicate a wall arrangement you have at home and like, or create something entirely different.)**
- 3. Color the drawing.**
- 4. Label the drawing as to which kind of balance it is.**
- 5. Do not turn in but put it in your notebook.**
- 6. Graded on accuracy, creativity, & neatness.**
- 7. Worth 30 points. Each drawing is worth 15 points.**
